Dear RSC Members,

April 28, 2025

As opening day approaches and being new to the role, I wanted to take a moment to introduce myself and my family. My name is Paul Lendman, and I'm honored to serve as the new President of the Riverside Swim Club. My wife, Lauren, and I moved to Riverside back in 2014 and instantly fell in love with the community. We joined the pool and have never looked back. Our two daughters, Addie and Sophie are on the swim team and have been doing cannonballs since we joined. (They may have learned a thing or two from their dad!) Please don't hesitate to reach out with any questions or concerns.

That being said, we've got an exciting season ahead, starting with the Spring Luau coming up on May 10th! I am excited to announce that we will be adding a band, Missing Ted, to the event! (Weather permitting) There will be plenty of food, prizes, and raffles including the opportunity to win a free membership. Your attendance at these types of events helps to maintain the current cost of our dues and fund various maintenance items such as;

- Sealing and Re-stripping the parking lot
- Re-building the front pergola
- Repairing/replacing tables, chairs, and umbrellas

Looking forward, we have a summer full of our normal fun activities plus, some new events. This includes evenings with DJ Mattio on the Patio and a new photo booth. We will also be hosting some new food trucks as well as pre-ordered charcuterie nights. Our aquatics program will continue to provide all services, including swim team, water polo, swim lessons, and potentially diving clinics. This year marks our third year of RSC Day Camp, and we encourage all our little 'cudas to participate. Information for all available camps and lessons can be found on our new website.

I would also like to acknowledge the Board, our Staff/Managers and all of the volunteers. Their hard work and dedication ensure the success of our club. The Riverside Swim Club owes its existence to everyone's commitment. Please extend your gratitude to them for their contributions. Thank you to everyone who dedicates their time; it truly takes a village! If you are interested in volunteering or have ideas on how to make RSC better for everyone, please reach out via the website or email info@riversideswimclub.org — we would love to involve you further in our community.

Opening day is fast approaching, and we are thrilled for the upcoming swim season. Looking forward to seeing you all at the pool!

Best regards,

Paul Lendman, President
Riverside Swim Club
